Stand Out Product

Paris Baguette's primary mission, executed every day by its expert staff of bakers, cakiers and baristas, is to share moments of joy with customers and help customers share moments of joy with their friends and family by providing world-class cakes, pastries, coffees, breads and other French-inspired bakery café fare.

Why Paris Baguette?

Paris Baguette does two things better than any other bakery/ cafe franchise: a comfortable, inviting customer experience and the highest-quality baked goods and coffees. While other bakery concepts continue to transition into full-service restaurants, leaving the lucrative segment largely free of competition, Paris Baguette remains focused on its mission to become the best neighborhood bakery cafe in the world.
